AT POOLSIDE
WE PROMISE TO:

- Constantly scan the pool so that we can recognize swimmers in distress within 10 seconds and provide assistance within an additional 10 seconds.

- Always be on guard and remain focused on our primary responsibility of protecting lives. Please understand that this is why we cannot stop and talk.

- Always wear a rescue tube, carry a mask and have gloves accessible for you.

- Always sit in an elevated lifeguard chair or patrol at the edge of the pool. This enables us to be more aware of visibility issues and rotate our positions accordingly.

- Attend regular training events to practice our skills and stay on the cutting edge of aquatic safety.

- Be here for you and keep you safe.
